AC Work Product – Deliberative Process - FOIA Exempt

Natalie –

I am forwarding you a the first draft of spreadsheet created to organize the ARCO response to the 104e information request. This spreadsheet will hopefully help identify key documents that may help you and Bryan as you prepare the HRS package. Take a look at this list of documents and let me know if anything jumps out at you that might help and I can send the document to you.

I will be out on Monday for the holiday, but back in for the rest of next week.

Rob

Privileged Attorney/Client Communication – Do Not Release Under FOIA

Rob,

Attached is the draft Master Chrono for ARCO's 104e response documents. All you need to do is add your findings and sort. Let me know if you have any questions. If you don't get to it next week, I'm happy to finalize it when I get back from MT.

Thanks,
Anthony
